

ABOUT SCRIP

When you spend \$ you make \$

It's that simple!

When you convert your cash to gift cards you spend less than you get. For instance if you purchase a \$100 Acme gift card, you get the \$100 gift card PLUS \$2.50 as tuition credit. Depending on the retailer you can get up to 10% in tuition credit. Each retailer contributes a different percentage.

So before YOU shop, convert your cash to gift cards and MAKE \$ AS YOU SPEND \$!
